# A&E Network Video Collection

Entertaining, Educational, Popular

Now you can add A&E Network television programs to your 'Virtual Branch.'

When you add A&E videos to your digital catalog, library users can access titles with the same website and OverDrive software they already use. The popular and educational shows are always available for simultaneous use—no waiting lists, no holds. With more than 400 titles to choose from and more added regularly, A&E videos are available in a variety of genres, such as history, cooking, mystery, and biography.
