## Calling all musicians!

We're looking for a musical act good enough to play at Lansing's premiere summer event. It's our first *Literature and Lyrics Contest*, where one lucky Lansing area singer, rapper, musician or group will be chosen to perform at the Common Ground Festival. Afterward, the performance will be available at our Web site for downloading. Submissions will be accepted March 16-April 17—check [cadl.org](http://cadl.org) for details.
